

# GRANDFATHERED CLIENTS

More  
than just  
a meal

# Who is a grandfathered client?

Grandfathered clients are those clients who were already receiving services (through the former HACCC) prior to CHSP commencing in July 2015.

These clients were transitioned into the CHSP to ensure continuity of care, regardless of their care needs and eligibility for the CHSP. These clients have continued receiving services under the CHSP and have not yet registered with My Aged Care.

# How do we identify our Grandfathered Clients?

Create a complete list of all current clients, i.e. those who have received services in the past twelve (12) months.

Remove from this list clients who are receiving services under any other funding arrangements other than CHSP. That is, remove clients who sit under NDIS, HCP, QCC/QCSS or who pay full price.

If you are using a MMP you may create this list from your DEX upload reports.

Compare this list to the client export from your My Aged Care Portal.

## CHSP grandfathered clients information

Commonwealth Home Support Programme (CHSP) grandfathered clients are those clients who were already receiving services (through the former Commonwealth Home and Community Care, National Respite for Carers Program, Day Therapy Centres Program or Assistance with Care and Housing for the Aged Program) prior to the CHSP commencing in July 2015. These clients were transitioned into the CHSP to ensure continuity of care, regardless of their care needs and eligibility for the CHSP. These clients have continued receiving services under the CHSP and many have not yet registered with My Aged Care.

For the purpose of this project, only grandfathered clients who have received services in the last 12 months need to be included (ie 23 July 2018 to 22 July 2019). CHSP service providers with these unregistered grandfathered clients are required to provide information on these clients to the Department of Health (the Department). This data will be used to create a client record in My Aged Care without an assessment being undertaken.

To facilitate this you are required to upload all unregistered CHSP clients by **11:59pm AEST 23 October 2019**. This deadline cannot be extended. Detailed instructions on how to provide the data to the Department, including obtaining the consent of clients is available [here](#). Any CHSP grandfathered clients that are not submitted to My Aged Care via this process by 23 October 2019 will be required to contact My Aged Care to become registered. For further assistance please call the My Aged Care service provider and assessor helpline on 1800 836 799.

# Client Consent

Now you have your list, you must seek each client's consent to register them with My Aged Care.

Dear [INSERT CLIENT NAME]

You are currently receiving home support services through the Commonwealth Home Support Programme (CHSP) which are funded by the Australian Government. In 2015, when CHSP was introduced, any clients who received services were automatically included under the program and did not have to undertake a new assessment via My Aged Care.

Recent changes to the program guidelines mean that we must advise the Australian Government via My Aged Care of all current recipients of services provided under CHSP with their consent.

My Aged Care is the Australian Government's single entry point for aged care services which makes it easier for senior Australians, their families, and carers to access information on ageing and aged care, have their needs assessed and access services.

The information we provide to My Aged Care will be used to create a client record against which your current services will be listed without the need for an assessment. If you do have a current client record with My Aged Care, this process will ensure all your current services are listed correctly.

Having a My Aged Care client record will also make it easier for aged care assessors and service providers to understand your needs and services. A client record will also make it easier to access other aged care services should your needs change.

Providing this information will not affect your current services.

In order for us to help you set up your My Aged Care client record, we need to ensure we have the correct information about you and have your consent to do so. Attached is a consent form to be completed, signed, and returned via your delivery volunteers.

Once we have collected your information, there is nothing else you need to do.

If you also receive CHSP services from other providers, you may be asked to provide your details to them. Providing your details to each provider will ensure My Aged Care has a complete picture of the services you receive.

If you would like to talk about this data collection request, please contact us on [insert contact details].

We look forward to continuing to work with you.

Kind regards

Your personal information is protected by law, including the Privacy Act 1988 and the Australian Privacy Principles. The Australian Government, Department of Health wants to collect your personal information, including sensitive information for the purpose of registering you on the My Aged Care system. The Department will be collecting this information from us, as your aged care provider. This will help to ensure that you are receiving the right Aged Care services for your needs.

The Department needs your consent for the collection of this information. If you do not consent to the Department collecting your personal information the aged care services you currently receive will remain unaffected.

You can get more information about the way in which your personal information will be managed in the privacy policies on the Department of Health's website and on the My Aged Care website.

By signing below, you consent to the Department of Health collecting your personal information for this purpose.

# Entering data on to the template

You can only enter data for clients who have given consent.

You must use the template provide by Department, found at

<https://agedcare.health.gov.au/chsp-grandfathered-client-data-collection-template>

This may mean transferring data from your own spreadsheet.

Ensure you save it in a place you can easily find once you log into MAC Portal.

Those who haven't given consent will just continue to receive meals and be reported in DEX as they have in the past and not entered in the template.

# Once the template is completed

Click on the Grandfathered Client tile, then upload file.

The screenshot shows the 'Provider Portal' interface for 'CHSP grandfathered clients'. The top navigation bar includes links for 'Review requests', 'Service referrals', 'Retrieve a referral code', 'Staff administration', 'Outlet administration', 'Find a client', 'Reports and documents', 'My Aged Care interactions', 'Tasks and notifications', and 'CHSP grandfathered clients'. The main content area features a 'CHSP grandfathered clients information' section with a 'DOWNLOAD CHSP CLIENTS' button. Below this is a text box explaining the CHSP grandfathered clients process and a deadline of 11:59pm AEST 23 October 2019. A red circle highlights the 'Browse...' button for uploading a file. Below the upload section, there are statistics for failed validation and ready to submit records, a search bar with 'SEARCH' and 'CLEAR' buttons, and a table with columns for 'Status', 'External client ID', 'First name', 'Last name', 'Date of birth', 'Medicare #', 'DVA card #', 'Centrelink reference number', and 'Duplicate'. An 'ADD A NEW CLIENT' button is also visible.

# Issues with Service Item type

If your outlet won't show it may mean the service item type is incorrect and needs to be updated. This is done within Outlet Administration.

The screenshot shows the myagedcare-serviceproviderportal.dss.gov.au website. The header includes the phone number 1800 836 799, the operating hours Mon-Fri 8am - 8pm Sat 10am - 2pm, and a welcome message for Rachael. The main content area displays a grid of service items. The 'Outlet administration' item, located in the bottom-left corner of the grid, is circled in red. Other items include 'Find a client', 'Review requests', 'Tasks and notifications', 'Retrieve a referral code', 'My Aged Care interactions', 'Reports and documents', 'Staff administration', and 'CHSP grandfathered clients'. The footer contains accessibility and privacy information, the Australian Government Department of Health logo, and the myagedcare logo.
